BOARD OF EDUCATION MEETINGS

Public Participation at Board of Education Meetings

The regular and special meetings of the Board of Education are open to the public and representatives of the press except that a part of any meeting may be designated an executive session as provided by law.

The Board of Education welcomes participation of interested organizations and individuals. Advance announcement of all regular and special meetings of the Board of Education is made through posting the agenda, on the District website, through notices to newspapers, and directly to citizens and community and professional organizations who specifically request such notification. A reasonable charge may be made for those persons or organizations requesting advance announcements of meetings and agenda backup materials.

Board meetings are meetings held in public and are not open hearings. Once the Board moves into regular agenda the public may participate as allowed by the Chairperson and with the following restrictions:

1. Questions and/or comments are to be restricted to the specific agenda item being discussed;
2. Public comment shall be allowed during the "Public Comment" agenda items only;
3. Board members shall be recognized first for comments and/or questions;
4. Questions and/or comments by the public may be restricted by the Board Chairperson, including the length of time for each comment; and
5. The Chairperson may, at his/her discretion, curtail public discussion at any time.

Any citizen may appear before the Board to express his/her opinion concerning the educational program of the district in correlation to any open agenda item for a specific meeting. The Board encourages members of the public to address complaints concerning individual District personnel through the proper chain of command. The Board agenda provides opportunities for comments and questions from persons attending the meeting. Persons wishing to address the Board should give their names and addresses.

Communications to the Board

Any citizen that is unable to attend a public meeting may address the Board in writing. Written

communication must be received at least 24 hours prior to the scheduled meeting. In addition, no anonymous or "mass mailings" will be included in the communications section of the Board agenda. Any communication regarding a specific staff member or student will be listed in the agenda indicating the sender and the subject, but the actual communication will not be included in the agenda.

Board Relations with Community Organizations

It is the intention of the Board of Education to cooperate fully with appropriate officials, Boards, committees, or other agencies of the town, and with organized groups of interested citizens of the town. Any such individual or group requesting a meeting with the Board of Education should present its request to the Chairperson of the Board, or the Superintendent, in ample time to allow for proper preparation of agenda items, notification of Board members, and establishment of a meeting time and place.
